PITCHVAULT™ — BRANDS PAGE (IN-APP DASHBOARD)

🧠 Page Purpose

This is the control center for brands.

Everything a brand does lives here:

- Post campaigns
- Discover creators
- Manage deals
- Track performance

🔲 PAGE STRUCTURE (TOP → BOTTOM)

---

1. HEADER BAR

Left:

- PitchVault Logo (Gold)
- “Brands Dashboard”

Right:

- 🔔 Notifications
- 💬 Messages
- 👤 Profile Icon (Dropdown)
    - Settings
    - Billing
    - Logout

---

2. QUICK ACTION BAR (HIGH PRIORITY STRIP)

A bold, boxed section at the top:

+ Create Campaign (Primary Button)

- Gold button
- Most important CTA on the page

Next to it:

- “Browse Creators”
- “Active Campaigns”
- “Saved Creators”

---

3. STATS OVERVIEW (KPI STRIP)

Clean 4-box layout:

- Active Campaigns
- Total Spend
- Completed Deals
- Avg Creator Performance

CODE EXAMPLE

Active Campaigns: 3

Total Spend: $2,750

Completed Deals: 18

Avg Engagement Rate: 6.2%

4. ACTIVE CAMPAIGNS SECTION

Card-style layout

Each campaign shows:

- Campaign Title
- Budget
- Status (Active / In Progress / Completed)
- Creators Applied / Selected
- Deadline

Buttons inside each card:

- View Details
- Edit Campaign

- Pause Campaign

---

5. CREATOR DISCOVERY SECTION

This is HUGE — one of your main value drivers.

Search + Filters Bar:

- Niche (Fitness, Faith, UGC, etc.)
- Platform (TikTok, IG, YouTube)
- Price Range
- Location
- Engagement Rate

Creator Cards (Grid Layout)

Each card includes:

- Profile Picture
- Username
- Niche
- Engagement %
- Sample Content Thumbnail

Buttons:

- View Profile
- Invite to Campaign ⭐
- Save Creator

---

6. INVITED / SELECTED CREATORS PANEL

Split into tabs:

- Invited
- Accepted
- In Progress
- Delivered

Each shows:

- Creator Name
- Campaign
- Status
- Deliverable Progress

---

7. DELIVERABLES & CONTENT REVIEW

This is where brands approve or reject content

Each submission includes:

- Video preview / content preview
- Caption
- Notes from creator

Buttons:

- ✅ Approve
- 🔁 Request Revision
- ❌ Reject

---

8. PAYMENTS PANEL

- Total Pending Payments
- Completed Payments
- Escrow Status

Each deal shows:

- Creator
- Amount
- Status (Held / Released)

---

9. PERFORMANCE ANALYTICS

Simple but powerful:

- Views
- Clicks
- Engagement
- Conversion (future feature)

Graph:

- Campaign performance over time

---

10. SAVED CREATORS

A shortlist area where brands keep favorites.

- Quick access
- Re-invite ability
- Batch campaign invites

🔥 CORE RULES (IMPORTANT FOR YOUR PLATFORM)

These MUST be enforced in the UI:

❗ Minimum Campaign Budget

- Cannot post under $250
- Hard stop in UI

❗ Platform-Controlled Communication

- Messaging ONLY inside PitchVault
- No external deal-making

❗ Deliverables Stay In-App

- Uploads required through platform
- No Google Drive / external links

🎯 UX FEEL

- Black background
- Gold buttons (primary actions)
- White text
- Sharp borders
- Minimal clutter
- Feels like a premium trading terminal, not social media

💡 POWER FEATURES (WHAT MAKES YOU DIFFERENT)

These are your unfair advantages:

1.

“Invite to Campaign” Button Everywhere

- Removes friction
- Speeds up deal flow

2.

Pre-Vetted Creators Badge (Future)

- “Verified Performer” checkmark
- Higher trust = higher spend

3.

Campaign Matching Engine (Phase 2)

- AI suggests creators instantly

4.

Bulk Creator Invites

- Select 10–20 creators at once

⚙️ SIMPLE USER FLOW (BRAND)

1. Login
2. Click Create Campaign
3. Set budget (min $250)
4. Browse creators
5. Invite creators
6. Receive content
7. Approve
8. Pay automatically

📱 MOBILE VERSION (IMPORTANT)

Same structure but stacked:

- Sticky “Create Campaign” button
- Swipeable creator cards
- Tap-to-invite UX
